

HartBrook Farm Rules

1. Do not borrow ANYTHING without the owner's permission. Please return what you borrow promptly.
2. If you aren't old enough to drive yourself to the barn, you must have an adult with you. No children may be dropped off without supervision, for your child's safety!
3. DO NOT feed anyone else's horse anything, not even treats.
4. Only HartBrook EMPLOYEES are to give grain or hay. Your horse is being amply fed. If you have any questions regarding horses diet, please feel free to discuss it with management.
5. Try to clean up after yourself whenever possible.
6. Please put ALL of your equipment in your designated locker. Your stall door is for supplements and a halter only. This will help us keep the barn hallway neat and clean. It will also protect your personal items.
7. Arenas are for riding ONLY. If you want to turn out on the weekends, please feel free to turn out in the paddocks. Return you horse to its stall when you are finished.
8. Helmets and safe footwear are required when riding.
9. Do not ride out on trails alone. Find a partner to ride with.
10. Never ride someone else's horse without permission for that day.
